

## Payor Listing

Careington’s participating General Dentists and Specialists will collect the patient’s applicable copayment and submit claims with your office’s usual and customary rate (UCR) to the Third-Party Administrator (TPA). General Dentists’ claims will be re-priced by the TPA and paid according to the appropriate plan fee schedule or a percentage for unlisted codes. Specialists’ claims will be re-priced by the TPA and paid according to the appropriate plan percentage.

The following is a list of the most common TPA’s accessing our network of PPO plans. Also, if you hold a direct contract with any of these groups, your contract with them is primary and you may be reimbursed according to your contracted fees with that network. The network selection used at the time of claims processing is determined solely by the TPA.

**Prior to services being rendered, please verify eligibility and benefits with the group, in order to know which PPO network will be accessed for your patient.**
